

192 Keane Street Cloverdale WA

3 1 4

Perfect opportunity here for the first home buyer or savvy investor to break into the tight real estate market. Either sit tight and collect the rent from reliable sitting tenant or enjoy the olde world character ambience and cottage style rear gardens. Previously remodelled with generous open plan living, polished jarrah boards and modern kitchen just add you personal touches to make it your own. My owner requires offers on the table and is keen to do a deal today.

Land Size : 784 sqm
