Situated on the Rivervale border and close by to Belmont Forum is this 2017 built first floor apartment in luxury security complex. Impress your friends and family with the modern décor, neutral paint, upmarket floor/wall tiling plus gleaming gloss white cupboards and feature stone kitchen tops. The extra sky-high ceilings and the timber skirting boards throughout give you a superior finish seldom found in the area. Park the chariot in your own undercover car bay behind sliding security gates and scale the steps to your private sanctuary with personal storeroom on the landing. Well loved by the current owner so you will be very impressed by this well priced property but be quick as buyer interest will be high.
