SLASHED \$30,000 TO SELL THIS SATURDAY

Nestled among nature and located at the heart of this dress circle estate is this stunning family residence directly neighbouring picturesque Willow Lake Park. More than a decade after selling this beloved home to its current owner, I again have much pleasure in offering it for sale. With just one preceding owner I wholeheartedly indicate this rare opportunity to own one of the area's finest locations. The home's impressive street-appeal is due to its established gardens and classic federation-style elevation harmoniously blending with tranquil natural surrounds. Passing the double-door entrance the open-plan home flows seamlessly, a neutral interior palette allows for customisation according to personal taste. Suitable for all
