MASSIVE 911SQM DUPLEX BLOCK NEAR TOMATO LAKE

(RETAIN EXISTING HOME & BUILD AT THE REAR)

Genuine one owner four bedroom 1971 built home ideally located in quiet cul-de-sac a short walking distance to Tomato Lake & Islamic College. Solid double brick & tile construction ready for renovation and perfectly situated on 911sqm DUPLEX block with plenty of side access to retain and build at rear. Properties in this location are highly sought after and my owners despite fond memories of the home are ready to sell so be quick as it will be a red-hot commodity.
