A unique buying opportunity exists to live on the shores of the Swan River, in one of the "Golden Miles" most iconic complexes - "Parallel Apartments" designed by renowned Hallam Architects. More intimately, welcome home to the fully furnished buying option of apartment 91, high on the corner of the eight-floor basking in world class River and City (incl Optus Stadium) views. A bespoke statement of external and internal luxury! My owner has bought elsewhere so act NOW to avoid the words every buyer loathes, "sorry it's gone"!

With two bedrooms, two bathrooms and a large living room basking in floor-to-ceiling windows that bathe the interiors in soft natural light, which creates a warm and inviting ambiance. Shadow line ceilings, vivid white walls and blackbutt (plank) flooring perfectly fuse the designer window treatments (includes remote roller blinds) to this
